Re: Zoning Request for the Arbors of Wildwood

Dear Mr. Vujnich:

As you know, McBride Turkey Track, LLC ("McBride") is under contract to purchase approximately 15.10 acres located at 2705 Highway 109 Street ("Property"), and McBride is seeking to rezone the Property to R-2 PRD in order to permit the development of a single-family detached community.

McBride's zoning request has been placed on the Planning and Zoning Commission's April 17, 2017 meeting agenda; however, McBride hereby respectfully requests that this matter be tabled. McBride will also be notifying the Board Members of the adjacent Meadows of Wildwood subdivision about our request to table this rezoning request.

We thank you for your assistance with this matter and would appreciate confirmation from the City that this matter will be tabled.

I welcome your call should you have any questions about this request.

Yours very truly,  
McBRIDE TURKEY TRACK, LLC
