	(#2) Do you believe that additional roadway improvements and beautification are needed for the Manchester Road corridor? If so, what type of improvements?	Date
1	No	1/12/2018
2	Sidewalks	1/12/2018
3	Nope	1/12/2018
4	Yes, only if all current property owners support it and want to help fund certain improvements	1/12/2018
5	Yes. Sidewalks! The safety of those between 109 and Taylor Rd is at risk.	1/12/2018
6	Yes! please bring lighting and bike paths to all of Manchester RD	1/12/2018
7	Sidewalks	1/12/2018
8	Whatever you do, don't touch Larry's. It is perfect just the way it is	1/12/2018
9	Yes. It needs more landscaping and sidewalks.	1/12/2018
10	No, its fine	1/12/2018
11	No	1/12/2018
12	Yes!!!! Landscaped	1/12/2018
13	No, not really. Love the way the turnabout and street lights were decorated for Christmas.	1/12/2018
14	The 109 bridge looks like it's going to fall down on us. In general everything is good but once the new subs r full it will be a squeeze. I don't think beautification is needed	1/12/2018
15	No	1/12/2018
16		1/12/2018
17	Yes. I would like a sidewalk from Taylor and the post office	1/12/2018
18	no	1/12/2018
19	Yes. Absolutely! Sidewalks are needed due to heavy pedestrian use. Something needs to be devoted to slow traffic in this area.	1/12/2018
20	Heading west, when you cross 109, there's just nothing there. B/c we live off Clayton (btw 109 and Strecker), there's almost nothing on that Manchester corridor to entice us West. An occasional trip too big Chief is it.	1/12/2018
21	Yes. Similar to Manchester from Schnucks to 109.	1/12/2018
22	No	1/12/2018
23	No	1/12/2018
24	No	1/12/2018
25	A full length median or close with turn lanes left and right trees ped.overpasses	1/12/2018
26	Road bed West of 109, and additional sidewalks from Big Chief to the roundabout at Taylor Rd	1/12/2018
27	Yes, at least west to 109, sames as other but less planted trees	1/12/2018
28	Taylor road by Walgreens is TOO narrow. The road goes from 2 lanes to one lane on a very busy road. Old Manchester needs a center turn lane.	1/12/2018
29	No	1/12/2018
30	Sidewalks. Better parking options. Lighting.	1/12/2018
31		1/12/2018
32	Sure. Bigger shoulders.	1/12/2018
33	Continuous sidewalks along both sides of Manchester west of 109.	1/12/2018
34	Yes, Sidewalks, Bike lanes Street lighting	1/12/2018
35	No	1/12/2018
36	not really, seems fine to me	1/12/2018
37	Yes	1/12/2018
38	Yes, add sidewalks	1/12/2018
39	No	1/12/2018
40	No. Besides necessary wear and tear road repairs, I think it would be a waste of money. The areas without sidewalks are not an area that people would walk (no attractions and nearby trails available for exercise) and would be a waste of money. Having taught at Pond Elementary, NO students walk to school and none would, same for Wildwood Middle. Please don't spend money putting sidewalks and trees just to say you did. No one would benefit and money would be better spent elsewhere.	1/12/2018
41	Yes, 109 bridge over 100.	1/12/2018
42	Yes. The improvements that have already been planned and are partly completed already. The quaint buildings along Old Manchester near Larry's, Imogene's, The Porch should be preserved and the area should be designated as a historical district.	1/12/2018
43	Yes. There should be islands made for traffic to turn. Currently turning from the median, you are risking your life. Rush hour makes it so busy that many people use Clayton because they don't want the risk being in an accident. Also, a protected bike/pedestrian lane (with barriers so traffic can't cross into it) would be a dream.	1/12/2018
44	Old Manchester could use a sidewalk and better lighting	1/12/2018
45	No	1/12/2018
46	yes sidewalks and lights	1/12/2018
47	Yes sidewalks on both sides as far as possible. Also would be nice to lower the dirt at the corner/roundabout at Manchester and Main at the vacant lot	1/12/2018
48	Absolutely not. The city dumps enough money into this area already. It's excessive. Anything west of 109 is treated as an afterthought by Wildwood.	1/12/2018
49	Structures should be placed throughout the area like the improvements.	1/12/2018
50	Well now that you knocked down all the beautiful trees on Manchester before 109 maybe you should plant some trees and stop the construction of the houses as they will cause ridiculous traffic problems.	1/12/2018

	(#2 Continued) Do you believe that additional roadway improvements and beautification are needed for the Manchester Road corridor? If so, what type of improvements?	Date
51	Be specific...hwy 100 Manchester OR old Manchester road???	1/12/2018
52	Yes. More planted trees, shrubs, and flowers	1/12/2018
53	No	1/12/2018
54	Yes!!!! It's ridiculous that it's easier to walk to town center from the northwest corner of route 100 & route 108 than the southeast corner of route 109 & route 100. We need sidewalks for goodness sakes!!!	1/12/2018
55	Maybe lights	1/13/2018
56	No	1/13/2018
57	Yes...side walks and clean up houses and businesses along the way	1/13/2018
58	No	1/13/2018
59	Yes, but only sidewalks and a bike lane. No expansion for more traffic	1/13/2018
60	Sidewalks the entire stretch.	1/13/2018
61	Yes. Not sure of needs	1/13/2018
62	Sidewalks - shaded areas with benches- Street Lights West of 109 Hwy.	1/13/2018
63	More retail, restaurants and sidewalks	1/13/2018
64	Different trees planted along Manchester. The current trees are not appropriate.	1/13/2018
65	Not sure. Like the bridge.	1/13/2018
66	It is not walkable due to the absence of sidewalks	1/13/2018
67	leave it alone	1/13/2018
68	Sidewalks and bike paths	1/13/2018
69	Side walk all the way to middle school from Taylor	1/13/2018
70	Yes. Sidewalks. Streetlights. Some left turn lanes	1/13/2018
71	I think Manchester road is fine as is. I like the bike lanes east of 109.	1/13/2018
72	Not under the current circumstances in Wildwood.	1/13/2018
73	More parks, trees, shrubs and sidewalks. Make it better for pedestrians in the area	1/13/2018
74	Better walking/biking lanes. Perhaps widening the roadway. Boulevards with native plants and wildlife always add distinctive characteristics which should improve the appeal of both new businesses and consumers.	1/13/2018
75	No don't waste the \$\$\$. You might need to do something when the 292 homes are finished	1/13/2018
76	not sure	1/13/2018
77	No	1/13/2018
78	No	1/13/2018
79	NO	1/13/2018
80	Some perhaps, depending on "business case."	1/13/2018
81	Needed From Pond to WW Middle	1/13/2018
82	Road and sidewalk maintenance, no new business developments	1/13/2018
83	No	1/13/2018
84	No, not really. Perhaps a round about at the 4 way stop	1/13/2018
85		1/13/2018
86	Yes. Sidewalks and light poles	1/13/2018
87	School zone changes. We aren't psychic so those who don't have kids don't know to go 40 or 25. By the way i survived 6 years at that school with a 50 mph speed limit and that's where we rode our bikes on the shoulder and we loved. The speed limit is a police trap.	1/13/2018
88	Yes sidewalks and lighting is great. No more condos or apartments	1/13/2018
89	Yes. Sidewalks, road improvements, clean/neat entrances to businesses, additional street lighting west of 109	1/13/2018
90	I think it is sufficient now.	1/13/2018
91	Don't know. Not as needed as others in Wildwood	1/14/2018
92	Yes! A walking path and lights	1/14/2018
93	Sidewalks, bike lanes and planting areas	1/14/2018
94	Sure, along west to 109	1/14/2018
95	No	1/14/2018
96	I think the current road looks fine!	1/14/2018
97	NO	1/14/2018
98	Yes. More walking paths and modernization west of 108 preserving historic Pond district	1/14/2018
99	Manchester Road needs improvements to make it safer to drive on.	1/14/2018
100	Lighting, side walks, fountains, bike paths,	1/14/2018
101	Pretty good now.	1/14/2018
102	Quite possibly more sidewalks in the area of the schools.	1/14/2018
103	Whatever has already been included in the Town Center Plan documents, improvements that make the corridor safe for pedestrians and vehicles.	1/14/2018

	(#2 Continued) Do you believe that additional roadway improvements and beautification are needed for the Manchester Road corridor? If so, what type of improvements?	Date
104	better signage	1/15/2018
105	No	1/15/2018
106	yes, sidewalks along Manchester from at least WMS to where the sidewalks are today	1/15/2018
107	Yes, should look like improvements done from Hwy to Taylor with nice sidewalks and trees	1/15/2018
108	Sidewalks	1/15/2018
109	Sidewalks	1/15/2018
110	Sidewalk/walking trail to Pond School and Wildwood Middle School	1/15/2018
111	Yes, please complete Manchester at Taylor to West	1/15/2018
112	It needs to be more accommodating for the large number of vehicles that use it.	1/15/2018
113		1/15/2018
114	Yes. Sidewalks along Old Manchester from Post Office to Taylor roundabout	1/15/2018
115	No I don't. But I would be interested to see what ideas the town has.	1/15/2018
116	DEDICATED BIKE LANES, NATIVE GRASS PLANTS	1/16/2018
117	Yes. More vegetation & Plantings, similar to Clarkson Valley/Chesterfield's on Clarkson Rd.	1/16/2018
118	No.	1/16/2018
119		1/16/2018
120	YES, YES! Vacant property or private property with wooded areas infested by honeysuckle and vines needs to be cleared leaving natural Missouri hard woods and flowering trees with a chance to survive. There are many areas that have these types of property's from Wildwood Middle School to Taylor. The Committee should then work to identify some prospects that will enhance the Road. Identify targets and work to achieve those goals. Note: The new residential growth occurring in Wildwood should enhance existing businesses and make WW more attractive to recruiting new businesses that align with the vision of the City and provides SYNERGY to help each other.	1/17/2018
121	no	1/17/2018
122	I'd like to see sidewalk extending all the way from Taylor Road to 109, as that would connect to the sidewalks on 109 and connect the pedestrian friendly section of Manchester between Taylor and 100.	1/18/2018
123	No.	1/19/2018
124	Yes. Sidewalks from middle school to 109	1/19/2018
125	Follow streetscape plan in Master Plan	1/19/2018
126	Yes - the bike path needs to be extended to the Manchester access of rock wood reservations	1/19/2018
127	Stop spending time and money on all the trees and bushes...bushes require maintenance that we have to pay for	1/19/2018
128	yes, just like completed between Dierbergs-Schnucks	1/19/2018

41	Walking is nice, but parking in inclement weather.	1/12/2018
42	Either, depending on type of shops.	1/12/2018

122	Depends on the weather. I do like having the option to walk to shopping. Where I live I can conveniently walk to Wildwood Square, but the lack of pedestrian walkways along the Manchester corridor, and along 109 between Manchester and 100 makes walking to Wildwood Town Center require time on the shoulder of at least one road.	1/18/2018

4	No	1/12/2018
5	A 50/50 splitnif possible may make it more advantageous for small businesses to start up.	1/12/2018
6	I would be amazing to see a parking lot, but it should be behind the shops/buildings, like in an older town	1/12/2018
7	Not sure	1/12/2018
8	That seems pretty far down the road (no pun intended). There's nowhere near a need for this yet.	1/12/2018
9	Yes and why not a joint venture.	1/12/2018
10	No, I think there is plenty of parking currently. We don't need more concrete	1/12/2018
11	Parking lot	1/12/2018
12	No	1/12/2018
13	It would be nice to have a parking lot especially when there is an event going on. I think the city should pay for it. That way the city has control over the lot.	1/12/2018
14	Yes it would be beneficial and I believe the city should take care of the cost	1/12/2018
15	No, no, no	1/12/2018
16		1/12/2018
17	No. Parking is okay in Town Center	1/12/2018
18	no public parking	1/12/2018
19	I do not see a need for a parking lot on Manchester road.	1/12/2018
20	Where? For what? Are there even shops west of 109? Are you hoping that if you build a parking lot, Commerce will follow?	1/12/2018
21	Yes. City should provide.	1/12/2018
22	No	1/12/2018
23	Parking is available at the businesses I visit - city should not pay for parking lot that is owned by someone or a corporation	1/12/2018
24	No. Not enough business to draw large need in parking.	1/12/2018
25	Large lot w trans to shops might work. Combined rider and business pay	1/12/2018
26	The City of Wildwood should pay for the infrastructure improvements. After more than 20 years of tax collection, the city should begin providing the amenities it has been pro.ising since its beginning in order to attract businesses that the residents need	1/12/2018
27	I only support public parking lot near celebration/large gathering venues.	1/12/2018
28	The businesses should contribute as well as the city.	1/12/2018
29	A lot where? Very vague question	1/12/2018
30	A hybride of public and private funding.	1/12/2018
31		1/12/2018
32	There aren't that many businesses there. I don't know that a public lot is necessary.	1/12/2018
33	City	1/12/2018
34	Parking lot does not seem to be needed currently	1/12/2018
35	No	1/12/2018
36	Not enough shopping choices yet	1/12/2018
37	No. Street parking and onsite is more than ample for next 20 years at least	1/12/2018
38	Yes, businesses should contribute	1/12/2018
39	Businesses	1/12/2018
40	NO! What an eyesore to our beautiful community and a complete WASTE of Money. NO the city should not pay for this, it is completely unnecessary.	1/12/2018
41	No, parking lot behind hotel good enough	1/12/2018
42	Not really beneficial. Parking should be a business cost until, and if, the amount of shops, etc., grows substantially more than it is now. No need to give public money to a few small businesses.	1/12/2018
43	No! What? A parking lot for all the strip mall on Manchester? Nobody would use it.	1/12/2018
44		1/12/2018
45	Not necessarily needed. If put in place, perhaps a combination or just businesses would Pay for it	1/12/2018
46	no on all	1/12/2018
47	I can't think where this would be needed	1/12/2018
48	No and not needed	1/12/2018
49	City can benefit from charging for parking for festivities in the immediate town center area (near Dierbergs), which most of us consider the heart of Wildwood.	1/12/2018
50	NO. NO. and NO. We do not need any more lots in Wildwood. This is WildWOOD. Not WildLOTS. They can park in the very empty Schnucks lot of Manchester. All the stores are boarded up there anyway. I moved here for the beauty and the feeling that I was away from the city.	1/12/2018
51	No not all people want to walk to shops	1/12/2018
52	Sure it would be beneficial. Businesses should pay	1/12/2018

	(#5 Continued) Would a public parking lot on Manchester Road be beneficial for patrons shopping in this area? Should the City pay for this parking lot, or should the businesses contribute to its cost?	Date
53	Not needed. There is plenty of parking available	1/12/2018
54	It would be nice for larger events but don't think it's necessary all the time...	1/12/2018
55	No	1/13/2018
56	No need for a parking lot	1/13/2018
57	Public Parking area	1/13/2018
58	No the city should not pay	1/13/2018
59	It doesn't seem needed	1/13/2018
60	I don't think a public parking lot is necessary.	1/13/2018
61	Parking lot for concerts and public events. Only businesses attached to parking lot should pay.	1/13/2018
62	Wildwood pays for parking areas East & Westside of 109 Hwy.	1/13/2018
63	Parking would be beneficial. Since both parties would benefit both should contribute	1/13/2018
64	Yes city should pay if they are allowing that many businesses and not enough parking.	1/13/2018
65	Not really.	1/13/2018
66	Businesses should contribute to the cost.	1/13/2018
67	NO	1/13/2018
68	Combination - a public private partnership.	1/13/2018
69	No parking lot	1/13/2018
70	Where on manchester? Where are these businesses to be located? Must have access to those businesses	1/13/2018
71	If a parking lot is necessary, which I don't think that it is, we should take a hard look at the financials before making this decision. I would support businesses contributing to the cost if it is actually necessary, but I don't think that it is.	1/13/2018
72	Not currently	1/13/2018
73	Business should contribute to some extent based on size and income	1/13/2018
74	Interesting idea, it depends on the location in my opinion.	1/13/2018
75	No don't waste the money, if the city pays for it more taxes, if the businesses pay for it higher prices and more empty stores in the ned	1/13/2018
76	shared cost	1/13/2018
77	We may need extra parking when there are events but otherwise there is plenty	1/13/2018
78	No	1/13/2018
79	No. Business can help pay if they want it.	1/13/2018
80	Doesn't seem necessary.	1/13/2018
81	Not beneficial; business should pay if developed	1/13/2018
82	Yes, public parking would be helpful. The City should pay for it.	1/13/2018
83	businesses should contribute	1/13/2018
84	No	1/13/2018
85		1/13/2018
86		1/13/2018
87	No parking structures would go unused unless you're hosting a public event which isn't enough to warrant a structure. Maybe by a field for people to park in and throw some music over there.	1/13/2018
88	No absolutely not	1/13/2018
89	An additional lot to the west of town Center would be nice. The City should have the businesses pay 75% while the city pays 25%	1/13/2018
90	We have enough parking	1/13/2018
91		1/14/2018
92	If the city turns their street parking into shoulder, it should provide a parking alternative	1/14/2018
93		1/14/2018
94	No.	1/14/2018
95	Do not want my city to look like a shopping mall	1/14/2018
96	Parking lots are asthetically unappealing; not sure why a lot would be needed.	1/14/2018
97	Businesses should contribute	1/14/2018
98	Adequate parking yes but not necessarily a parking lot taking up valuable real estate. Street parking?	1/14/2018
99	Yes, parking is needed and the expense should be shared with both business owners and the city.	1/14/2018
100	Both should have to pay, 60 city 40 businesses	1/14/2018
101	Not needed	1/14/2018
102	That is putting the cart before the horse. The type of public parking we currently have a in Town Center seems to work. It is a nice mix of parking garage and street parking and all free.	1/14/2018
103	Parking should be behind the businesses. No major public parking lots.	1/14/2018
104	not needed and the city should not pay for one.	1/15/2018
105	No parking lot	1/15/2018
106	yes and I think the city should pay for this. Most of the businesses in this area are small businesses that can't afford additional costs	1/15/2018

	(#5 Continued) Would a public parking lot on Manchester Road be beneficial for patrons shopping in this area? Should the City pay for this parking lot, or should the businesses contribute to its cost?	Date
107	I don't think a lot is necessary unless additional businesses are added	1/15/2018
108	Too much is being crammed into the business area without enough parking	1/15/2018
109	City should pay for parking if they are getting rid of parking spaces on the road	1/15/2018
110	Businesses should contribute	1/15/2018
111	Retail business might want to pay but you have to have parking near shops	1/15/2018
112	I don't think there is enough there to warrant that.	1/15/2018
113		1/15/2018
114	Depends on the location. City pay & business help center contribute 1x amt .	1/15/2018
115	No a public parking lot is not necessary.	1/15/2018
116	NO	1/16/2018
117	CID financing, as was done for the other parking structure	1/16/2018
118	I haven't seen that this is really necessary, aside from the few big events that Wildwood hosts each year (like the BBQ festival). Aside from those events, how much use would another parking lot really get? We don't live in Wildwood to look at parking lots all day. This is an active city- encourage things like public transportation options, walking, cycling, and carpooling.	1/16/2018
119	no and no	1/16/2018
120	Study carefully...I do not think many of our businesses are currently strong enough to support costly additional fees or taxes.	1/17/2018
121	businesses	1/17/2018
122	No, businesses along the corridor have sufficient parking in place.	1/18/2018
123	No.Businesses should pay for the parking lot.	1/19/2018
124	City	1/19/2018
125	Businesses should pay. City should suggest underground lot with green space above.	1/19/2018

127	no, no	1/19/2018
128	Do not see need for additional parking at this time	1/19/2018
129		1/19/2018
130	Business should contribute	1/20/2018
131	Not really. City should not pay. Businesses should provide their own infrastructure.	1/24/2018
132	Not with the current density of businesses. But if the retail environment started to grow, a public parking lot could be beneficial, and the city should build it.	1/24/2018
133	Yes the city should pay. Didn't they pay for the parking garage that goes into a private hotel!	1/25/2018
134	Yes, I think the city should pay for it since it brings more revenue (taxes) to the city.	1/25/2018
135	Additional parking would be great. Specifically in the area of The Porch, Imogene's and the Post Office.	1/25/2018
136	Yes - City should cover	1/25/2018
137	It should be 50/50.	1/25/2018
138	City	1/26/2018
139	Businesses shouldn't contribute.	1/26/2018
140	Yes and Yes	1/26/2018

143		1/30/2018
144	no	2/2/2018
145	Yes - more businesses will committ to the area. The city should pay.	2/2/2018
146	helpful - businesses could contribute	2/2/2018
147	It depends on the type of merchants you are hoping to attract. I think a clever architect and city planner could come up with a scheme that would provide ample parking for the tyle of merchants you want to attract.	2/8/2018

	(#6) Would seating areas be beneficial to this area's shopping/business district?	Date

40	Need more specifics as to what this means in order to answer question.	1/12/2018
41	Yes	1/12/2018
42	Not really. An outdoor dining area, bistro, sidewalk tables at a coffee shop, etc. would be nice. But more of all that in the middle of Town Center should be a first priority.	1/12/2018
43	No. The road is entirely too congested. Nobody is going to hang out there.	1/12/2018

Most people now seem to do this either at Bread Co. or Starbucks, but an ice cream store or something else family friendly where families could gather and kids could hang out while parents talk would be great.	1/14/2018

120	Yes---I would love to see a plan to have some type of Village Green destination that could host small events, etc. However, the City's first priority should be to complete its Community Park and not have multiple partial projects at one time.	1/17/2018

23	I don't see how it woul.	1/12/2018
24	Yes	1/12/2018
25	Yes	1/12/2018
26	Not directly on Old Manchester, unless it is West of 109	1/12/2018
27	Definatly, keep the concerts. BBQ bash, celebration in the center of town center	1/12/2018
28	I am not sure what this means. A Park space would be great!	1/12/2018
29	Again where? This is way to vague. Plus a public space brings a ton of traffic	1/12/2018
30	Maybe	1/12/2018
31	Yes	1/12/2018
32	Yes. Then a parking lot would be necessary.	1/12/2018
33	Yes	1/12/2018
34	Yes, Public event space is needed in town center	1/12/2018
35	Maybe	1/12/2018
36	well i guess new space would be nice since the retirement center took over lots of that land for concerts and family events	1/12/2018
37	Why would we want destination objective- We are already at destination that's why we moved here.	1/12/2018
38	Perhaps.	1/12/2018
39	Yes	1/12/2018
40	I would love to see a FREE public space, such as a splash pad (like Millenium Park in Creve Couer or Tilles Park) where families would come to Wildwood as a destination, then stick around for lunch, shops, etc. This would be a huge draw. Parks and free spaces is what make Wildwood special and unique, and why people come here (I meet MANY moms at Wildwood Park who drive out of their way for that awesome playground!). Let's invest in more spaces like this!	1/12/2018
41	Yes! Better farmers market and gathering space	1/12/2018
42	Maybe at some point, but need one inside the core of town Center first.	1/12/2018
43	No. It would make it a traffic nightmare. Wildwood has done a great job of isolating each subdivision. Therefore there is little sense of community outside of the subdivision. Why not try connecting them with protected bike paths, and give people a way for getting around other than their car?	1/12/2018
44	Very excited about this idea. Many people enjoy walking to the town center. If events get moved to YMCA area that would be terribly disappointing.	1/12/2018
45	Yes. So disappointing that the eye sore of a new building (new retirement community) was built where we had a nice public open space.	1/12/2018
46	yes	1/12/2018
47	I would like to see us keep a location for concerts. Parking lots have been fine as long as we can still use them.	1/12/2018
48	No	1/12/2018
49	YES	1/12/2018
50	NO, please don't do that. We have enough here and I don't want it to be a destination as I LIVE NEAR TOWN CENTER and do not want the increase in strangers and parked cars and the thefts that come with that.	1/12/2018
51	Possibly	1/12/2018
52	Yes. A music venue or an drive in movie theatre	1/12/2018

	(#7 Continued) Would a public event space help this corridor become a greater destination location?	Date
53	We had a public event space. You built an old folks home on it	1/12/2018
54	No	1/12/2018
55	Yes	1/13/2018
56	No	1/13/2018
57	Yes	1/13/2018
58	That was already ruined with the building of the new senior care building	1/13/2018
59	No. We don't want that kind of thing. This is why we vehemently protested the velo dome or whatever that was called. No irresponsible spending and needless reasons to overcrowd	1/13/2018
60	Yes	1/13/2018
61	Yes! I miss the lovely concert space we used to have in Town Center.	1/13/2018
62	Possibly, yet safe parking & traffic control is a must	1/13/2018
63	Depends on the location. Closer to Taylor would be best	1/13/2018
64	Yes	1/13/2018
65	Likely	1/13/2018
66	Yes, it was a shame when we lost the area that the retirement center is being built. It was a great space for the community events held there, and easily visible to attract people.	1/13/2018
67	NO	1/13/2018
68	Depends	1/13/2018
69	Yes	1/13/2018
70	As i see the plan you have no space available	1/13/2018
71	Maybe? It would depend on what events were being held there.	1/13/2018
72	No.	1/13/2018
73	Absolutely	1/13/2018
74	Absolutely , definitely. An amphitheater would go a long way to bring the community more together. I'm from Alton IL, have lived in Wildwood for about 8 years. Alton built an amphitheater on the riverfront, many didn't think it would work because there's not a lot of residential living spaces in the immediate area. Everyone would have to drive. After 6 or 7 years, the amphitheater is a mainstay to the community, and has rekindled the community and helped to spawn other events	1/13/2018
75	You had one and then decided to build a senior facility that will struggle to survive under the current health care costs	1/13/2018
76	perhaps	1/13/2018
77	Not needed.	1/13/2018
78	No	1/13/2018
79	Yes. Corner of Taylor and Old Manchester is perfect spot for ourdoor amphitheater	1/13/2018
80	No. Should develop further as boutique shopping area.	1/13/2018
81	No, not centrally located	1/13/2018
82	Yes	1/13/2018
83	yes	1/13/2018
84	Possibly	1/13/2018
85	Yes	1/13/2018
86	Yes	1/13/2018
87	Only for outdoor events it seems.	1/13/2018
88	Yes	1/13/2018
89	Not really an event space, but maybe a greenspace	1/13/2018
90	No	1/13/2018
91	Yes	1/14/2018
92	Yes	1/14/2018
93	Yes!. And, a central image. Something like a large gazebo and benches. A small playgrounds. Picturesque and defining for Wildwood	1/14/2018
94	Possible. Question is lacking details.	1/14/2018
95	No, Wildwood needs to focus on generating sale tax revenue	1/14/2018
96	Yes! This is much-needed. I loved the public events that were held in Town Center before the senior living center took that space.	1/14/2018
97	Definitely	1/14/2018
98	Yes	1/14/2018
99	Yes, it brings the city together.	1/14/2018
100	Yes. Much needed for open space	1/14/2018
101	not really	1/14/2018
102	Not really.	1/14/2018
103	There should be a city green somewhere central to town center area'	1/14/2018
104	at the new park yes. in town center - no.	1/15/2018

(#7 Continued) Would a public event space help this corridor become a greater destination location?		Date
105	Yes	1/15/2018
106	Yes, but the location needs to be key. Along the 109 highway would be better due to there is not as much residential development here and easy access from the highway. I think that trying to put something too big near the theater/ Dierbergs area would take away from the look of Wildwood. On that note, too much development in the town center area with no tree or green space would go against the look and feel of Wildwood and why people move here and live here.	1/15/2018
107	Yes, would love an area to host concerts and events like we did in the town center before the nursing home went in!	1/15/2018
108	No. It will create overcrowding for parking	1/15/2018
109		1/15/2018
110	yes	1/15/2018
111	Yes for festivals, music, BBQ events etc.	1/15/2018
112	Yes. I think a lot of people don't know it's there.	1/15/2018
113	Yes	1/15/2018
114	Yes!	1/15/2018
115	I guess so. However I wouldn't want anything to big.	1/15/2018
116	YES	1/16/2018
117	Yes, say a Velodrome that could also have been used as an amphitheater, with a seasonal outdoor ice rink/bike/skate park in the center. If only someone had that idea.	1/16/2018
118	It depends on what you mean by a "public event space" - what does that mean? What kinds of events? Give examples of the kinds of spaces you mean.	1/16/2018
119	yes	1/16/2018
120	Yes	1/17/2018
121	yes	1/17/2018
122	Having just moved to Wildwood last Summer, I've been very impressed with the community events that it hosts. If those can continue to be hosted at the STLCC Wildwood campus, it seems like that's enough area to allow for events, and management of parking for the BBQ Bash seemed to work well (though 109 didn't handle the extra traffic well, but then, it doesn't do that during commute times either). I'm not sure if a dedicated public event space would be utilized enough to justify the costs, but ensuring that whatever space it is is pedestrian accessible to Wildwood residents can go a long way to ensure that we aren't having issues going to community events.	1/18/2018
123	having an area to continue the BBQ Bash and bring in acts like they do at Bluebird Park should be a priority	1/19/2018
124	No	1/19/2018
125	Yes	1/19/2018
126	Yes - think Chesterfield but keep it wild	1/19/2018
127	no, we have enough public space with parks	1/19/2018
128	Do not think so	1/19/2018
129	yes	1/19/2018
130	No	1/20/2018
131	Yes.	1/24/2018
132	No, more stores to shop at and businesses to patronize would help this become a greater destination location.	1/24/2018
133	Yes we miss have the concerts and BBQ bash here. Sorry to see a senior living space in that beautiful space.	1/25/2018
134	Yes. Now that the senior living facility was added to the parking lot by city hall.	1/25/2018
135	I guess it would depend on the type and purpose of the space.	1/25/2018
136	Yes	1/25/2018
137	Yes	1/25/2018
138	Yes	1/26/2018
139	Yes.	1/26/2018
140	Absolutely Yes	1/26/2018
141		1/26/2018
142	yes - we need a Village Green - "Armed Forces Field" where they proposed the velodrome	1/27/2018
143	Yes	1/30/2018
144	yes	2/2/2018
145	yes	2/2/2018
146	possibly but there is one on 109 near YMCA	2/2/2018
147	I think you are limited by the number of Churches and schools that are in this area. Event space is better off down by Tayler and Main	2/8/2018

	(#8) What motivates you to go shop in other neighboring communities (outside of Wildwood)?	Date
1	I like to go many places, depends on products/services. Hate going to the valley!	1/12/2018
2	Goods not provided in Wildwood.	1/12/2018
3	Restaurants, bars, cool stores.	1/12/2018
4	Specific businesses and services	1/12/2018
5	Larger and diverse stores mixed with small businesses.	1/12/2018
6	More choice and major name brands.	1/12/2018
7	Shop locally. Put money in our area.	1/12/2018
8	They are not packed with lame antique stores and tea rooms. They have stuff for people under 70, not just old ladies.	1/12/2018
9	I try to shop local businesses so if it isn't available in Wildwood I will go where I can find it.	1/12/2018
10	The types of stores available	1/12/2018
11	Bigger box stores (Target), Wildwood has limited dining options.	1/12/2018
12	Target, Aldi. Specific stores	1/12/2018
13	Not enough good restaurants. We need frozen yogurt or ice cream parlor, bakery, or sport bar and grill.	1/12/2018
14	The different types of shops. We have a few but there could be many more	1/12/2018
15	Because we have to. It's not the facade, it's the substance.	1/12/2018
16		1/12/2018
17	Fast food restaurants. Walmart and target are outside Wildwood.	1/12/2018
18	Don't shop outside of Wildwood	1/12/2018
19	Access to common retail stores not in town center.	1/12/2018
20	Variety and convenience	1/12/2018
21	Variety of stores. You blew it when you refused Target years ago.	1/12/2018
22	Types of shops	1/12/2018
23	More affordable retail options	1/12/2018
24	They have what I need - specific retail, more grocery options.	1/12/2018
25	Ease of access, less traffic delays,	1/12/2018
26	There is little to be obtained in Wildwood:there are no home improvement, no household items, no auto parts, minimal furniture, minimal clothing, very little of anything in Wildwood,	1/12/2018
27	store specific. A Target store on outskirts of town center would be nice. (Say NO to Walmart) Otherwise, decent, family priced dining	1/12/2018
28	Target, Walmart market, up scale Dollar General Store , Whole Foods, Trader Joes, Aldi	1/12/2018
29	The places I visit; Whole Foods, Trader Joe's, Walmart, got the idea. Silly question.	1/12/2018
30	Different store options.	1/12/2018
31	Independent businesses including book store and gift shops	1/12/2018
32	Variety of stores and restaurants. Aldi, Target and fast food.	1/12/2018
33	Specific stores	1/12/2018
34	within walking distance of my home.	1/12/2018
35	Availability of merchandise	1/12/2018
36	more selections	1/12/2018
37	Good planning- I really appreciate past planning That has prevented Wildwood from becoming a commercial hub of traffic and vacant businesses like Manchester Road to the east. Please do not try to promote business that is not already self-sustaining here.	1/12/2018
38	I go to shopping places with a good outdoor walking area - downtown st Charles or the outlet malls	1/12/2018
39	When i need something not in wildwood, i.e auto parts, more lunch/dinner choices.	1/12/2018
40	Many stores clumped together to make it easier to get errands done. And, large stores like Target that provide essentials.	1/12/2018
41	Convince and selection.	1/12/2018
42	Better selection of dining and shops. There is nothing special about most of the shops along Manchester Rd or in the center of Town Center. Would rather go to somewhere like Eureka Old Town, Webster, Kirkwood, etc	1/12/2018
43	Quaint town centers that are peaceful and walkable. It would have unique restaurants/ice cream/chocolate shops, locally owned shops, maybe even a library. Not busy strip malls! It would host local events like a parade or holiday tree lighting. Not traffic jams and commercial stores found everywhere.	1/12/2018
44		1/12/2018
45	Variety and convenience. We do not have stores for basic needs like a Target.	1/12/2018
46	the wonderful shops	1/12/2018
47	Specific stores	1/12/2018
48	Better variety of stores like Target, Ulta, etc.	1/12/2018
49	Multiple businesses, outdoor beauty, relaxing environment, possible kid attractions	1/12/2018
50	I really like to stay close to home. The furthest I usually go is into Chesterfield. When I do go farther away it is for a specific trip and not because I am lacking resources in Wildwood.	1/12/2018
51	I like the stores there	1/12/2018
52	Good restaurants and attractive stores	1/12/2018

	(#8 Continued) What motivates you to go shop in other neighboring communities (outside of Wildwood)?	Date
53	Sorry, i only shop from my couch these days - except groceries	1/12/2018
54	Greater variety. Honestly do try to support local wildwood businesses every chance I can	1/12/2018
55	Chic boutiques, hip dining, inviting outdoor environment...think Nashville's Green Hills outdoor shops	1/13/2018
56	It depends on what I'm shopping for.	1/13/2018
57	Type of store selections...we need a big box store like Target in our area...I drive to Eureka, Chesterfield, Ballwin or Town and Country	1/13/2018
58	Stores such as Target, Walmart,Fresh Thyme,Sam's, Aldi,etc.	1/13/2018
59	Bigger shopping stores like Kohl's or Walmart, businesses that have no business being in Wildwood	1/13/2018
60	Variety of stores in other locations. Wildwood town center has very few stores.	1/13/2018
61	Big box store with more selection. (Target, Whole Foods). Stores next to each other.	1/13/2018
62	Variety of options & types of retail stores	1/13/2018
63	Consider Old St. Charles	1/13/2018
64	Restaurant options	1/13/2018
65	I prefer Wildwood. Would like to see streetscape finished.	1/13/2018
66	Truthfully, other than groceries, I do most of my shopping online. The businesses along this corridor are mostly specialty shops and do not attract regular trade. I don't do recreational shopping, so I only shop when I have a specific need ,	1/13/2018
67	If i need something I can't get here, which is OK	1/13/2018
68	Density and variety of shopping options.	1/13/2018
69	More selection	1/13/2018
70	Variety. Walmart type businesses	1/13/2018
71	We don't have a hardware store. Also I prefer to do most of my shopping online, if I go to a physical store, it's because I'm looking for a unique experience. I'll go to Three French Hens for example, because they have unique things, but I'm busy and will just order things from target and have them delivered to my house for example. I would like Wildwood to get more and varied restaurants though if possible.	1/13/2018
72	The diversity of shops and patrons.	1/13/2018
73	Good quality and ability to easily get to them. Ideally they are walkable and have some places to sit and eat/drink nearby	1/13/2018
74	I prefer to shop primarily here if and when possible.	1/13/2018
75	The same thing that motivates me to tell Wildwood to forget the idea of shopping malls and box stores. This is rural community keep it as such.	1/13/2018
76	diversity of shops and price	1/13/2018
77	Type of shop.WW town center could use more restaurants and shops. The senior living center is an eyesore.	1/13/2018
78	Selection of businesses	1/13/2018
79	Variety. Since there is no room for comments I will use this space. STOP !! Developement has gone crazy. Old Manchester, HWy 100 and 109 is turning into HW94 And HWY K. Leave Old Manchester alone. Wildwood had character has where the city meets the country. Not any more! Leave Old manchester alone. Over 600 new homes in 2017 and 2018. Stop . Wildwood is loosing all its charm.	1/13/2018
80	Attractiveness and availability of offerings.	1/13/2018
81	Affordable shops and resturants	1/13/2018
82	Cost of goods (e.g. Dierbergs can be more expensive than other area grocery stores), availability of specialty goods	1/13/2018
83	price.	1/13/2018
84	The stores themselves	1/13/2018
85	A good variety of dining and shopping establishments	1/13/2018
86	Easy access	1/13/2018
87		1/13/2018
88	More dining options and more stores	1/13/2018
89	There are more retail locations in Kirkwood, Webster and St. Charles	1/13/2018
90	Independently owned quality businesses. (And thank you for raising the quality of our Wildwood farmers market).	1/13/2018
91	The vendors, restaurants, attractions and ease of parking	1/14/2018
92	More choices in a small area, atmosphere. I'd love to see that area become our own version of Main Steet St Charles	1/14/2018
93	Lack of product. Nothing for children. Birthday presents, clothing, craft supplies. Destinations: things to do. The movie theater is great, but we need more to do.	1/14/2018
94	Specific needs take me out of wildwood.	1/14/2018
95	Goods and services I desire are not in Wildwood, like a TARGET!	1/14/2018
96	Target! Seriously, Wildwood seems only to have boutique-like stores -- stores that I can't afford and/or that don't appeal to me (like, I don't need fancy dog biscuits or designer clothing). Town Center doesn't really feel like a Town Center, a place where our community can gather and shop affordably. It just seems like a bunch of overpriced shops. I would love to see a small-scale Target in Wildwood (see http://www.businessinsider.com/target-opens-new-small-format-stores-2017-10 ; think how many people from Eureka would love that, too) or some other neat, urban-like shopping/restaurant concept that's affordable, unique to our area, and family friendly. Some ideas to look into (besides Target, of course!) are Eat Fit Go and Crushed Red. I know Wildwood has historically been opposed to big-box stores, but that's why Town Center seems like a sleepy little shopping area instead of a booming economic center -- there is no main store or restaurant drawing people (especially families) in.	1/14/2018
97	More variety in eateries, grocery and shopping	1/14/2018
98	Restaurants and type of shopping available	1/14/2018
99	Neighboring communities have more stores to shop at.	1/14/2018
100	More to offer. We need more chain and small restraunts and businesses	1/14/2018

	(#8 Continued) What motivates you to go shop in other neighboring communities (outside of Wildwood)?	Date
101	Shop in town Ctr as much as possible. No big box stores wanted!	1/14/2018
102	Variety and quality of shops.	1/14/2018
103	If I can't get the needed items in Wildwood.	1/14/2018
104	convenience, price - ellisville said not to Freddy's.. Wildwood should recruit them.	1/15/2018
105	Good store selection. Not chain stores.	1/15/2018
106	I try to shop local, but Wildwood does not have bigger stores like Target, Walmart, etc.	1/15/2018
107	No big box stores like Target here to get essentials	1/15/2018
108	The specific business	1/15/2018
109	Stores I need to visit	1/15/2018
110	advertising, the types of stores/merchandise I am looking for	1/15/2018
111	Places like St. Charles, Kirkwood, Webster, have unique stores and restaurants and make shopping fun	1/15/2018
112	I don't live in Wildwood but my child is in daycare there.	1/15/2018
113	Boutiques	1/15/2018
114	Convince to major stores. Target, etc	1/15/2018
115	Other choices. It would be nice if we would gave a smaller area like main str St Charles. or Kimmswick. An area with cute unique shops like three French Hens. And independent restaurants.	1/15/2018
116	NEED	1/16/2018
117	Selection and choice.	1/16/2018
118	Goods or services I can't get elsewhere- like a spa, for instance (go to both Chesterfield and Frontenac for those).	1/16/2018
119	more variety	1/16/2018
120	Variety that is lacking in WW. Also, WW restaurants will struggle until we have more of a lunch business. Even with this, I believe a high end pizza restaurant (Katie's, Deweys, Peel, etc.) could thrive in WW. Also, a very nice micro brewery could bring many into WW. We also need to keep looking for venues that will attract outside visitors. For example, I LOVED the velodrome proposal but agree the location was less than optimal.	1/17/2018
121	the merchants	1/17/2018
122	Options that aren't available in Wildwood. The majority of our grocery shopping is done at Dierbergs or Schnucks, home improvement mostly at the Home Depot. We patronize the Wildwood Pub & Grill fairly regularly, but look outside the community for more variety in food options (other cuisines, kolache, pizza from Dewey's, etc.). As someone who is also very into the craft beer world, I have to go to Chesterfield for Lukas or Total Wine to see anything along those lines. I'd love to see a Wine & Cheese Place Wildwood in the vacant part of the Wildwood Square, but that's a business decision for that owner, and the city council.	1/18/2018
123	they have big box stores where I can actually buy things. Wildwood is too niche. Home Depot, Target, Costco account for 85% of my shopping and none are in Wildwood.	1/19/2018
124	The stores	1/19/2018
125	I only shop for items that are not available in Wildwood. I wouldn't want to buy a car in Wildwood. I'm glad I'm not able to buy such items in Wildwood.	1/19/2018
126	I don't shop except for groceries - love to walk to eat and to run	1/19/2018
127	bigger chain stores and more variety	1/19/2018
128	Specific need	1/19/2018
129	variety of shopping, friendliness is much greater in other areas. Business owners in wildwood seem to only focus on people they know and ignore others. That needs to change.	1/19/2018

144	Big box stores such as Target and cheaper grocery stores such as Shop N Save. Wildwood not friendly to seniors and those on fixed incomes.	2/2/2018

Wildwood does not seem to be business friendly by all of the restrictions that potential merchants have to meet.	2/8/2018
