

MEMORANDUM

To: Mayor Timothy Woerther and City Council Members

From: Rick C. Brown, Director of Public Works

Date: February 19, 2016

Re: Speed Limit Reduction on Route 109

The Department was recently notified by the Missouri Department of Transportation of the results of a recent speed limit study that was completed for a section of Route 109. Last fall, MoDOT completed speed study measurements on Route 109, primarily in response to the completion of roadway improvements between Route 100 to Route 109.

Based on the results of the study, MoDOT is proposing to reduce the speed limit on Route 109 from 45 mph to 40 mph between Sheppard Road to New College Avenue. In order to enforce the speed limit reduction, MoDOT is requesting that the City enact an ordinance enabling the speed limit reduction.

Recommendation:

The Department supports MoDOT's request to reduce the speed limit and recommends approval of the enabling ordinance which has been prepared as Bill 2161.

This recommendation was approved by the Board of Public Safety at their February 4, 2016 meeting.

I will be available for any questions or comments at the February 22, 2016 Work Session of the City Council.
