

## MEMORANDUM

To: Mayor Woerther and City Council Members

From: Ryan S. Thomas, City Administrator

Date: March 25, 2016

Re: Reconciliation of Hunting and Firearms Regulations

---

### Background

Last year, there was some discussion regarding a need to segregate the City's Hunting and Firearms Regulations, to provide for a single code section specific to hunting for ease of understanding the City's hunting requirements. City Attorney Golterman was then requested to review not only whether the code could be segregated, but also whether the current regulations require any updates to comply with State statutes.

At the February and March Board of Public Safety Meetings, the prepared segregated code was reviewed, which provided for a single code section specific to hunting and a separate section specific to firearms. Additionally, the new firearms section was updated to comply with current State Statutes. Attached are both the clean version of the proposed Amended Code and a red-lined version identifying the revisions.

During the February 4, 2016 Board of Public Safety Meeting, some questions were also raised regarding Section 6g of the Hunting Regulations, which states, "It shall be unlawful to hunt by firing or discharging a firearm other than a shotgun, muzzleloader, air gun (including in excess of twenty-two (.22) caliber) or crossbow on any property in the City east of Missouri State Route 109."

### Recommendation

It is recommended that legislation be prepared to adopt the proposed Amended Code, as written, except that "(including in excess of twenty-two (.22) caliber)" be removed from Section 6g of the Hunting Regulations, as it is not necessary due to all air guns being permitted east of Missouri Route 109. Its inclusion may have also caused some confusion with the commonly-known twenty-two (.22) caliber rifle, which is not permitted east of Missouri Route 109 (this revision is not yet reflected in the attachment).

*Planning Tomorrow Today™*

**Reasons for Recommendation**

1. Having separate code sections for hunting and firearms regulations will provide for an easier understanding of the regulations that are specific to hunting.
2. The firearms regulations of the City need to comply with current State statutes.

I will be available for any questions or comments at the March 28, 2016 City Council Work Session.
