Request	<p>A request to nominate an area, in the community known as <u>Glencoe</u>, onto the City of Wildwood's Historic Registry, which would total approximately six (6) acres of property and fourteen (14) parcels of ground. The properties are currently zoned NU Non-Urban Residence District and utilized for a mix of single family dwellings or are currently vacant. Access to this community is via Old State Road. If this area is placed on the City of Wildwood's Historic Registry, incentives can be offered to the owner(s) of the properties by the City for preservation purposes, which could allow potentially greater or different use of them in the future.</p>
